Das PROFILINE-Team

Service steht für uns an erster Stelle.

Damit unsere Ersatzteile schnell bei Ihnen sind, achten wir auf eine hohe Verfügbarkeit und stehen Ihnen mit einem zuverlässigen Lieferservice zur Seite-weltweit.

Wir freuen uns auf eine erfolgreiche Zusammenarbeit mit Ihnen.

The PROFILINE-Team

Service is our number one priority.

So that our replacement parts are fast to you, we pay attention to high availability and are available world-wide with a reliable delivery service.

We look forward to a successful cooperation with you.

Dear customer,

thank you for your interest in our products.

This catalogue includes a well considered spare-part-assortment of high class articles.

Herewith you gain purchase-informations of PROFILINE Import-Export GmbH.

Dear customer,

PROFILINE brand spare parts are no original parts of any vehicle-maker.

PROFILINE is registered and trademarked.

Important Notes

All stated informations are based on available documentations.

Liabilities cannot be assumed for any errors or omissions.

All informations are subject to technical changes. Part numbers, descriptions or manufactures are for comparison purposes only. They are no indication of origin parts and should not be used to endconsumers. Any claims based on given catalogue-datas will not be admitted.

Reprints, reproductions also in extracts require written permission.

How do I become a PROFILINE customer ?

Just complete our FORM and return same to us.

If requested the FORM will be submitted.

Offers

We offer spare parts at best possible terms and at rock-bottom prices.

Therefore extra discounts or bonus agreements or other allowances cannot be granted additionally.

Deliveries

All prices to be understood EX WAREHOUSE Mühlenbeck.

If assistance is required we can deliver ordered spare parts at low transportation costs to you. Following alternatives can be offered:

National Parcel Service (48 hours service)

International Parcel Service (delivery-time dependent on the country)

National Overnight Service (delivery next working day at 9 AM, a respective locker-facility is required)

National Daytime Service (delivery next working day between 8.00 to 12.00 AM)

Ordinary national or international deliveries by truck, ship or aircraft

Service

Service for us ranks first.

For this reason we pay attention to a high availability rate of our spare part offer and assure our customers professional support.
